

Dear Hiring Manager,

I am writing to express my strong interest in the Junior Developer position at your company. With my experience in React.js, Next.js, Node.js, MongoDB, Express and SQL, I am confident that I have the skills and knowledge necessary to excel in this role.

As a recent graduate of a computer science program, I have gained experience in developing web applications using React.js and Next.js. I have also worked with Node.js to create server-side applications and APIs. In addition, I have experience with both MongoDB and SQL databases, allowing me to create efficient and scalable data storage solutions.

Throughout my education and previous work experience, I have developed strong problem-solving skills and a passion for creating high-quality software. I am excited about the opportunity to work with a team of experienced developers and continue to grow my skills in a supportive and collaborative environment.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further.

Sincerely,
Onya Uchenna P.
